

FERDINAND R. MARCOS Administration
(2022 – Present)

The fundamental call of President Ferdinand R. Marcos, Jr. (PBBM) is **UNITY**. It is a prerequisite to the attainment of the Filipino people's dreams – a Nation at peace; a developed country; and a bright future for future generations. These require the disciplined response, pro-active involvement and collective participation of the Filipino people.

YES FOR PEACE – Bayanihan ng Bayan was proposed to PBBM as a campaign to arouse, organize and mobilize the Filipino people through a national open referendum and awareness sharing dialogues to mobilize all sectors to actively counter violent extremism as well as assert the right to peace. A paper and ink initiative to establish a national consensus to end armed conflicts by democratically institutionalizing good governance.

The campaign's people-centered Road Map to Unity and its Implementation Plan with five (5) thematic areas – Arouse, Organize, Mobilize, Governance and Charter Change – was refined in line with the United Nations' Sustainable Development Goal No. 16 – Peace, Justice and Strong Institutions which states, "Promote peaceful and inclusive societies for sustainable development, provide access and justice for all and build effective, accountable and inclusive institutions at all levels."

The Whole-of-Nation / Whole-of-Society approach of **YES FOR PEACE – Bayanihan ng Bayan** shall include five (5) thematic areas:

1. **AROUSE** – Establish a national consensus by conducting a national open referendum and awareness sharing dialogues, among Filipinos, 10 years and older, and mobilize all sectors to actively counter violent extremism as well as assert the right to peace.
2. **ORGANIZE** – Enjoin the people-centric upward declaration of **YES FOR PEACE Zones** from the Schools/ Barangays; to Cities and Municipalities; to Provinces; to the Regions; and finally, the whole country.
3. **MOBILIZE** - Engage the people’s pro-active involvement and collective participation in identifying, planning budgeting and implementing community-based peace and development programs. Open-access to a Menu of Services of existing government projects and programs to address identified needs shall be provided.
4. **GOVERNANCE** – Good governance through the convergent delivery of community peace and development programs and projects identified, planned, budgeted and implemented by the communities.
5. **CHARTER CHANGE** – Revision of constitutional provisions that have impeded national unity, peace, progress and prosperity.

The **YES FOR PEACE – Bayanihan ng Bayan ROAD MAP** is anchored on the **CORE** value of **Discipline** and each phase espouses the following values:

PHASE	IDEALS	PARAMETERS	CONCEPTS
AROUSE	Nationalist	Patriotic	Maka-Diyos
ORGANIZE	Assertive	Non-Sectarian	Maka-Tao
MOBILIZE	Knowledgeable	Non-Partisan	Makabansa
GOVERNANCE	Empowering	Multi-Sectoral	Maka-Kalikasan
CHARTER CHANGE	Democratic	Dynamic	Makabuluhan

30 August 2022 – PBBM stated in his Message for Yes for Peace, Incorporated, “I am delighted that your organization has aligned with the administration’s core ideal which will positively guide us in the efficient delivery of public services and the espousal of good governance in the coming years.

“I fervently hope that you will make significant progress in promoting non-violent and constructive peacebuilding dialogues and implement programs that will benefit communities in dire need. May you garner substantial support in effecting the whole-of-nation approach to your comprehensive plan for lasting peace and development.

“As we proceed to the future with renewed hearts and minds, it is time to set aside our differences and let our philosophies converge in our shared dreams for our country. With our strengthened unification efforts, I am confident that we can nurture a more progressive, productive, and inclusive society for all.”

September 2022 –Vice President Sara Z.
